Performance Exhaust & Headers

2010-14 CHEVROLET CAMARO LS3/ZL1/L99 6.2L CATBACK EXHAUST SYSTEMS

Unlock the full potential of your new Camaro: introducing Stainless Works' Stainless Steel 3-inch dual-exhaust system for the 2010+ Camaro. Whether you are fitting to a factory connection point, or to SW headers, you will gain performance and turn heads with this mean-sounding system. Constructed with high-quality 304L stainless steel, our durable Catback Systems are formed with CNC mandrel bends (no kinks) and backed by our lifetime guarantee.

LS3/L99 6.2L: CONVERTIBLE KIT

This kit is available to provide the clearance around the convertible frame bracing to allow for the use of the Stainless Works 3" dual exhausts. Kit includes heavy duty 14 gauge 304 SS front bracing to replace OEM brace, as well as spacers to provide extra clearance behind the differential at the rear bracing. All 304 SS construction with 304 SS hardware included.

FOR USE WITH	PART #	PRICE
3" Stainless Works Exhausts	CA11CONVKIT	\$185

SIDEBURNERS MODULAR EXHAUST

Designed for a direct-fit, our stealthy, 304 stainless steel, mandrel-bent, modular side-exhaust system enhances the sound of your muscle car. SideBurners side-exhaust bolts to the factory exhaust, and exits on both sides with 1"x8" low-profile tips, just in front of the rear tires, amplifying and adding a muscle-car growl to your ride! Fully TIG-Welded and CNC Mandrel Bends for extreme flow. Includes hangers and clamps for easy installation.

Factory Connect *Easily Fits To Factory Connection Point*

PART #	PRICE
CA10CBSE	\$505
