

2010-14 FORD TAURUS SHO

There is a difference, and we build it.

STAINLESS WORKS

Performance Exhaust & Headers

2010-14 FORD TAURUS SHO 3.5L V6 DOWNPIPE & EXHAUST SYSTEMS

Upgrade your Taurus with Stainless Works' new 2.5" system specifically designed to get the most out of your EcoBoost. Improve performance and sound of your SHO with our stainless steel exhaust and downpipe. The dual chambered 2.5" exhaust system with x-pipe and polished slash-cut tips easily fits to the factory connection point. If you're looking for more power, connect our exhaust directly to our 2.5" stainless steel downpipe, available with high-flow cats, or off-road pipes. Proudly made in the USA.
