

# VLC/VLK-51F

## Dakota Digital Clock Installation For '51 Ford Car

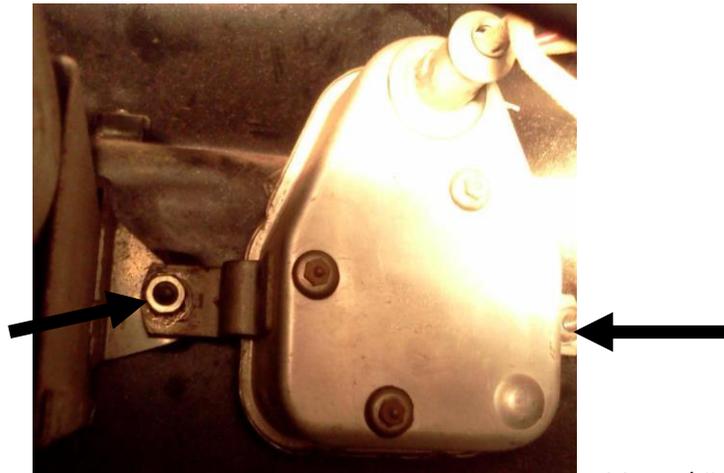

Your new VLC/VLK-51F kit includes:

**12V Power Harness  
(VLC ONLY)**

### Installation

1. Remove the original clock by removing the two nuts that secure it to the dash. Save the nuts for reassembly

2. With the original clock removed, carefully maneuver the VLK or VLC clock in place from behind the dash while lining up the mounting holes of the clock to the studs behind the dash making sure not to scratch the chrome bezel or clear lens, and then secure the clock in place by using the stock mounting nuts.

3. Connect the CAT5 cable and the 3-pin switch harness or 12V power harness to the clock. Refer to enclosed clock operating manual for these connections and setup.

VLK Clock
