

INSTALLATION INSTRUCTIONS

PART NUMBER: 33-2951

This filter fits: See catalog for current applications

* **FREE K&N® decal** To register your warranty, please see us online at knfilters.com/register. **FREE K&N® decal** *
Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter is a direct replacement for the stock air filter, and no modification will be required. However the following procedures **MUST** be followed to ensure the proper fit and seal of the K&N® air filter.

If you need any assistance please call 1-800-858-3333 to speak with a representative in our Customer Service Center before returning the product.

INSTALLATION:

1. Remove the stock air filter.
2. Carefully clean the inside of the air box.
3. Install the K&N® air filter.

NOTE: The engraving "FRONT" on the filter needs to be facing up in the air box and towards the front of the vehicle (Fig. 1). The air filter will not seal properly with "FRONT" facing in any other direction.

4. Reinstall the air box lid and fasten the clips.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
